

CONSIDERING A CAREER IN ENGINEERING OR ANOTHER HIGH-TECH FIELD? Then, you

need to get to know the Michigan Engineering Incentive.

The Michigan Engineering Incentive is a unique program designed to encourage more students to consider study and careers in the engineering and technology fields. The goal is to help pay for your studies...then keep your know-how in Michigan after you graduate.

The Michigan Engineering Incentive is a win-win for students and Michigan's economy. It will help students achieve their personal goals, and help grow our economy by meeting the need for a highly-skilled, Michigan-based workforce.

The Michigan Engineering Incentive provides:

- >Zero percent (0%) interest rate throughout repayment of an engineering student's loan.
- >Reimbursement of the three (3%) origination fee the federal government charges for its student loans.

The Michigan Higher Education Student Loan Authority reserves the right to revise or discontinue offering the Michigan Engineering Incentive at any time.

The Michigan Department of Treasury is committed to providing equal access to all persons in admission to, access to, or operation of its programs or services. Individuals with disabilities needing accommodations for effective participation are invited to contact the Michigan Higher Education Student Loan Authority at 888-643-7521. TDD callers may access our office through the Michigan Relay Center at 800-649-3777 to request mobility, visual, hearing, dietary, or other assistance.

This material was prepared by the Michigan Higher Education Student Loan Authority (MHESLA) under the authority of Act No. 222 of the Public Acts of 1975, as amended, and printed in compliance with Executive Directive 1991-96. BENEFITS

- > Zero Percent (0%) Interest Rate – We will automatically reduce the interest rate on your loan to zero percent (0%) at the start of repayment, and will continue the rate at zero percent (0%) as long as you meet the continuing eligibility requirements.
- > Origination Fee – If you qualify, we will automatically reduce the principal amount of your loan by an amount equal to the three percent (3%) federal loan origination fee after you have received all portions of your loan.

CONTINUING ELIGIBILITY

1. You must live and work in Michigan when you are out of school and your loan has entered repayment, and
2. Keep your loan current throughout repayment, or if eligible, through deferment and/or forbearance.

QUALIFICATIONS

1. You must be either a Michigan resident attending school in Michigan or anywhere else in the United States, or a non-Michigan resident attending a Michigan school.
2. You must be enrolled in an approved engineering or technology major at a participating school.
3. Your loan must be a Stafford loan for your junior (third-year undergraduate), senior (fourth-year undergraduate), or fifth-year undergraduate school years.
4. You have obtained your Stafford loan from any of the Michigan lenders that have agreed to sell this loan to MHESLA. Eligible loans are Federal Stafford loans first disbursed on or after August 1, 2005.

HOW TO PARTICIPATE

You must complete and return a Michigan Engineering Incentive Participation Form. Do this at the time you accept the financial aid award package from your school. Forms are available on our Web site at michigan.gov/mistudentaid, or you may contact our office by e-mail at MHESLA@michigan.gov. Our toll-free telephone number is 888-MHESLA1 (888-643-7521) if you wish to call for a form.

Incentive

SAVINGS AVAILABLE

Your savings will depend on the amount of eligible loans you have and the length of repayment. The following examples identify the approximate savings available through the Michigan Engineering Incentive.

CONSOLIDATION LOANS

Federal Consolidation loans do not qualify for the Michigan Engineering Incentive, nor may you transfer the zero percent (0%) interest rate to a consolidated loan. Therefore, if you consolidate Michigan Engineering Incentive loans, you will lose the 0% interest benefit.

PLUS LOANS

Federal PLUS loans do not qualify for the Michigan Engineering Incentive.
